Snowplow Damage

City crews may accidentally damage mailboxes and terraces when plowing streets. If your mailbox or terrace is damaged, please contact the Department of Public Works Operations Facility.

Mailbox - If damage should occur to your mailbox, please call the Department of Public Works Operations Facility at (608) 364-2929 to report the damage. The claim will be investigated. If a City snowplow is responsible for the damage and your mailbox complies with postal regulations, city crews will repair or replace the mailbox and/or post if necessary. The replacement will consist of a standard wooden post and/or box according to postal regulations. If the property owner chooses to install a different mailbox, the owner will be responsible for the cost. Mailboxes that are in violation of the minimum setback requirements will not be repaired or replaced if they are damaged by a snowplow. Please note: dependent upon the amount/type of damage, a permanent repair may be delayed until the ground thaws in the spring.

Terrace - If damage should occur to your terrace, please call the Department of Public Works Operations Facility at (608) 364-2929 to report the damage. A supervisor will investigate the claim. Terrace repairs will be completed in the spring.

Mailbox Clearance Notice

The City of Beloit and the United States Postal Service advise residents that the location of your mailbox may affect service delivery and snow removal. For mailbox requirements please contact the U.S. Postal Service at (608) 365-7755.

Fire Hydrant Snow Clearing

To expedite the Fire Department's emergency response time, property owners are asked to clear snow away from hydrants on their terrace.

SNOW EMERGENCY

It is illegal to park on the street during a snow emergency

13.04 (1)(a): Snow removal emergency is defined based upon forecast information or actual observed conditions, that the accumulation of ice or snow whether from snow fall or drifting will necessitate snowplowing, snow removal or winter pavement treatment operations.

(b): The City of Beloit is authorized to declare a snow emergency and shall provide local news media with an informal notice as quickly as possible. Failure to receive such notice shall not excuse any person from obeying the provisions of this subsection

ALTERNATE SIDE PARKING

Alternate side parking is in effect between the hours of 12:01 a.m. and 7:00 a.m. in the City of Beloit year around. Parking should take place on the even numbered side of the street on even numbered days of the month and on the odd numbered side of the street on odd numbered days of the month. This enables the City to keep your street swept. City of Beloit Ordinance 13.03

Solid Waste Program
June 6 – December 31, 2016

Introducing Beloit's Automated Collection Program www.automatebeloit.com

The City of Beloit will be starting Automated Collection on June 6, 2016. This is a system where garbage and recycling carts are emptied using a mechanical arm on a truck, instead of workers lifting and emptying containers and bags manually.

NEW June 2016

- *New!* Bulky & Appliance pickup must be pre-paid and pre-scheduled, by calling Operations Facility at (608) 364-2929. Fee for each item is $20.
- *New!* You may rent a 4yd or 8yd dumpster from the city if you have excess items for disposal. Dumpsters must be pre-paid and pre-scheduled by calling the Operations Facility at (608) 364-2929. 4yd dumpster - $225, 8yd - dumpster - $275.
- *New!* As of June 6, 2016 the City of Beloit will no longer be participating in the sharps collection and disposal program.
- *New!* As of June 6, 2016 High Volume items will not be collected. Only what is in the trash cart will be collected. Trash cart lid must be able to be closed. Bring extra items to the Recycling Drop Off Center, $1.50 per bag or rent a dumpster.
- *New!* Program sign up on line at www.automatebeloit.com for alerts, reminders, schedules and much more information.

Automated Collection Program Detail

In late May, each residence will be supplied with two 96-gallon wheeled carts: one for garbage (black lid), and one for recycling (gray lid). On your weekly collection day, carts should be placed by the curb (on or off the street), no more than 3 feet from the curb or road edge. Placement of carts will vary by residence. Position carts on each side of your driveway, or place them next to each other at least 3 feet apart. The open side of the lid must face the street, with the hinged side facing your residence. *New!* Recycling will only be collected every other week. When your carts are delivered in May, you'll receive a packet of information including a calendar and map with collection routes. Ensure access to the carts (not blocked by cars or mailboxes).

Beloit We're On A Roll

Effective June 6, 2016 the City's Solid Waste Program is going to automation!

What is Automated Collection?

Automation is a faster and more efficient way to collect trash and recycling. In addition to being more efficient, fully automated collection has many other advantages: neater, cleaner appearance of roadways, reduced roadside litter, safer traffic conditions for residents and collectors. Carts are durable and easy to maneuver for residents.

How will it Work?

Each residence will be supplied with two - 96 gal easy-to-use wheeled carts: one for garbage and one for recycling. Garbage, place garbage into the cart with black lid and roll it to the curb or the edge of the road on your regular collection day. Recycling, place all recyclables into the cart with grey lid and set out every other week on your regular recycling day.

When does automated collection begin?

Automated collection of garbage and recyclables is scheduled to begin the week of June 6, 2016. When the carts are delivered to your home, you will NOT be able to start using them until the week of June 6, 2016.

How often can I set out my carts?

Trash Cart (black lid) will be collected on a weekly basis. Recycling Cart (gray lid) will be collected on a bi-weekly basis.

Can I have more than 1 trash cart?

Yes, City of Beloit residents can request an additional cart. This additional cost will be reflected on your monthly sewer bill.

Where should I place my carts on my collection day for pick up?

Place one cart on each side of the driveway or 3 feet apart. Place carts no more than 3 feet from the curb or road edge. The lids must face the roadway.

Will my scheduled collection day change?

It may, you will be provided information with your carts including a map with the collection routes or visit www.automatedbeloit.com to type in your address for schedule.

What do I do with my extra trash/recycling?

Keep your items for the following week or bring the items to the Recycling Drop Off, 2351 Springbrook Ct., Saturdays from 9 a.m. to 12 p.m. Residents may call the Operations Facility at (608) 364-2929 for information on a dumpster rental. Residents may also take their trash to the Janesville Landfill, 545 Blackbridge Janesville, WI 53545.

I already have a rolling cart at home, can I use that one?

NO. Carts other than those provided by the City of Beloit will NOT be collected once automated collection has begun.

What if I have a bulky or appliance for disposal?

These items will need to be pre-paid and pre-scheduled for pick up by appointment. Call the City of Beloit Department of Public Works Operations Facility for more information (608) 364-2929.

What do I do with my high volume items?

As of June, 2016 the high volume/move outs program will be eliminated. Options are, a dumpster rental, an additional trash cart at an additional monthly cost, Recycling Drop Off or Janesville Landfill.

How large will the new cart be?

Beloit residents will automatically receive two black -96 gal carts. Trash cart will have a black lid. Recycling cart will have a gray lid.

	96 GALLON UNIVERSAL
Width	26"
Depth	34.5"
Height - Lid to Ground	46"
Height - Cart Only	43"
Wheel Diameter	10"/12"

Will the new cart take up more space?

The footprints of the carts are not very different than those of the blue recycle bin and 2 trash cans. The major difference is the height of the cart vs. your existing containers.

If I move, do I take the cart with me?

No, the cart is the property of the City of Beloit and must remain at the property/address to which they are assigned.It is the responsibility of the new home owner to check and make sure both carts are on the premises prior to occupancy. Landlords are responsible for ensuring carts are available for renters or occupants for each dwelling unit. Do not write house numbers or any other markings on the city carts.

What if my cart is lost, stolen or damaged?

Contact the Police Department (608) 757-2244 to file a report and then call the Department of Public Works Operation Facility at (608) 364-2929.

I have a long driveway. How will I get my carts to the curb each week?

The new carts are extremely easy to wheel to and from the curb. Carts must be stored on the resident's property and cannot be left curbside for more than 24 hours.

What do I do with my old garbage cans when the program starts?

Your existing cans can be used for other home projects or extra storage. However, if you have no other use for them they can be placed in your recycle cart or brought to the City of Beloit Recycling Drop Off at,
2351 Springbrook Ct., Saturdays from 9 a.m. to 12 p.m.

I plan on moving and I have an excess of items to dispose of, what can I do?

Call the City of Beloit Department of Public Works, Operations Facility at (608) 364-2929 for more information on a dumpster rental. Call a private contractor or Janesville Landrill

Won't the new carts be more difficult in snow and ice?

No. It should be no more difficult if not easier to maneuver than traditional trash and recycling containers.

What can I recycle?

The City of Beloit residents can place into their recycling cart (gray lid)

Plastics #1 – 7
Glass – jars, containers
Metal – aluminum cans & trays, tin cans, steel cans, bimetal cans, foil wrappers
Paper – newspapers, inserts, magazines, catalogs, phone books, paper bags, holiday cards, junk mail, gift wrap, cereal boxes, egg cartons.

What should I do with old paint?

Latex paint can be dried out by adding oil dry or kitty litter. Once paint has solidified it can be placed in your trash cart. Oil based paint can be taken to one of the Household Hazardous Clean Sweep locations. Please call Rock County Land Conversation for the nearest collection location and date at (608) 754-6617.

Can cardboard be recycled with the newspapers?

Yes, cardboard must be flattened to fit into your 96 gal cart.

Who will maintain my cart?

Residents are responsible for regular periodic cleaning and disinfecting the carts, properly storing the carts each week and during extended absences. Department of Public Works will be responsible for repairs including, but not limited to wheels, axels, lids, hinge pins, and replacement of carts damaged by city plows.

Automated Collection Tips:

- All trash and recyclables must be in the City of Beloit provided carts for pick up.
- Place carts no more than 3 feet from the curb or road edge.
- Trash and Recycling carts are the property of the City of Beloit and no markings are permitted on the cart.
- Place carts with lid facing the street.
- Cart lids must be closed with no material sticking out, and no material may be placed on top of the cart lid.
- Changes or delays in your trash/recycling pick-up are posted on the City of Beloit webpage.

Sharps

Effective June 6, 2016 the City of Beloit will no longer be participating in the city sharps collection and disposal program.
The program has been successful in that we were able to keep our solid waste haulers who were collecting manually from getting stuck. The City of Beloit will be automating trash and recycling thereby discontinuing all manual collection effective June 6, 2016.
The City of Beloit Solid Waste Program will be instructing residents via our educational materials and website to check with their local pharmacy, health care provider, veterinary, drug company, or search the internet for safe sharps disposal methods.

PRESCRIPTION DROP OFF BOX

The City of Beloit offers a safe and anonymous twenty-four hour prescription drug drop-box program. The prescription drug drop-box is located in the main entrance of the Beloit Police Department at 100 State Street. The prescription drug drop-box provides all Rock County residents with a convenient disposal solution for expired or unwanted prescription drugs and over the counter drugs, including old pills, pet drugs, and medical patches or creams. Program is free of charge and does not require pre-registration. The City requests the pills be kept in their original containers with personal information removed or crossed out. Please no sharps, chemotherapy drugs or other non-pharmaceutical waste. This program is available 24 hours a day, and seven days a week.

June 13th - 17th	September 12th - 16th
July 11th - 15	October 10th - 14th

October 31 - November 18, 2016, there are no stickers required for bagged leaves, yard clippings or garden debris. Only bundles of branches require a $1.50 sticker.

A MESSAGE FROM THE CITY OF BELOIT OPERATIONS DIVISION

Dear Resident,

The Public Works Team is proud to present the changes solid waste will be making in 2016, as always it is our objective to meet the needs of the City in the most effective and efficient manner. The changes to the program will specifically: reduce our carbon footprint, reduce collection costs, increase the diversion of recycling out of the landfill and improve the aesthetics of our neighborhoods by placing materials in City provide containers. With changes come challenges, we hope that with your patience and cooperation we can satisfy your needs as a community.

Sincerely,
City of Beloit, Operations Division
